

The '80s Never Looked So Good

SHELBY HODGE | PaperCity Magazine | 10.10.21

It wasn't just the persuasive encouragement of trial lawyer Tony Buzbee, dashing in a black-sequined dinner jacket, that sent proceeds soaring for the many youngsters served by Houston Children's Charity. The nonprofit's CEO Laura Ward did her share to nudge loose considerable

dinero while auctioneer Vikki Vines wielded the gavel that confirmed it all. The final take for the charity's gala held at The Post Oak Hotel was a record \$2.8 million.

The live auction, where this threesome successfully worked the crowd, added \$420,000 to the bottom line. While most live auctions cast a dim shadow on gala ambience, this one actually rocked as Michael Hoctor made the winning bid of \$135,000 for the 2022 BMW 4 series convertible (MSRP \$64,595). And as David Ybarra of Gringo's Tex-Mex bought four \$40,000 vans in the Chariots for Children raise, Gary Petersen bought three and all total 22 vans were on the books for wheelchair-confined children. (An additional five had been purchased previously at the underwriter party, hosted by the Buzbees in their River Oaks home.) Contributing a five-figure enticement was Valobra Master Jewelers, which contributed an amazing pair of \$25,000 diamond and sapphire earrings to the live auction.

Buzbee and his bride, Frances Moody Buzbee, chaired the 24th annual Houston Children's Charity Gala that featured '80s icon Cyndi Lauper as headliner. The sellout crowd of 597 was encouraged to dress in homage to the 68-year-old wild-maned singer, who held her own on stage. Femmes in wigs, '80s dress and finger-less gloves along with costumed gents crammed the stage front and danced in the aisles as Lauper belted out her infinitely singable tunes including "Time After Time" and "True Colors." She saved her most popular tune, "Girls Just Wanna Have Fun," for the finale which had the entire ballroom of partygoers on their feet.

A Quarter Century of Caring

Houston Children's Charity, with the support of dedicated sponsors and committed volunteers, works to create a world where every child has their very own bed, clothing, school supplies, transportation, health services, and joyful holidays. **Now for 25 years, HCC has provided support for over 300 agencies and more than 3,500,000 children.**

The founders of HCC were steadfast in their belief that they must do

something to help children in need across Houston, and all are still involved in our efforts today. We are eternally grateful to these visionaries who began our work in 1996: **Gary D. Becker, Tilman J. Fertitta, Grant W. Guthrie, Donald J Henderson, Robert E. Ogle, Michael F. Rogers, and Laura S. Ward.**

A grand celebration of **A Quarter Century of Caring** was hosted by Houston Children's Charity on **November 10, 2021 at The Post Oak Hotel at Uptown Houston** in the Grand Ballroom. Mistress of Ceremonies **Shelby Hodge** of **PaperCity Magazine** welcomed nearly **400 guests** there to commemorate our work. Also, we were honored with a proclamation by **City of Houston Mayor Sylvester Turner**, who named it **Houston Children's Charity Day!**

Letter from the President and CEO

Looking back over 2021, Houston Children's Charity had much to celebrate. After serving more than 3.5 million children in our first quarter century, we are even more committed to ensuring a world where every child has their very own bed, clothing, school supplies, transportation, health services, and joyful holidays.

Your support of our mission over those 25 years makes our work possible – every day, every week, every year – for every child we serve. In 2021, YOU helped our direct service programs touch the lives of 25,000 children, and the thousands more reached through our work with partner agencies. None of this is possible without a supportive board, generous donors, and an amazing cadre of volunteers.

We thank each of you for your efforts on behalf of the children we serve as 2021 was a year of many challenges for families in our area. But 2022 will be no different. With rising costs on everyday needs, our families will continue to look to Houston Children's Charity to support their children. And while the year will almost definitely bring unforeseen challenges, we know YOU will be there to support our efforts and our clients. Because "Our Kids Are Everybody's Kids."

With my deepest gratitude,

Laura

Laura S. Ward
President & CEO

In addition to thanking all in attendance for their part in our 25 years of successes, HCC recognized some very important individuals and partners who support our efforts. We are so grateful to them – and to so many others – who have made our work of serving the special children of Houston a rich and rewarding mission. THANK YOU!

What's Better Than Kentucky Fried Chicken?

We are proud to partner with **KFC franchise KBP Foods** for their **Charity Coupon Book Campaign**. For every \$1 coupon book that was sold during the month of September, KBP Foods donated that dollar to HCC to benefit our special children for a total of **\$37,851.89!** We are so grateful for this contribution and know it will make a significant impact in the lives of many special children during challenging times! Endless thanks to KBP Foods and the thousands of our supporters who love their chicken!

This campaign was such a success it is happening AGAIN for the second year! From April - May, you can visit your local KFC restaurant and purchase your coupon book that will benefit Houston's most vulnerable children.

A Totally Tubular Evening

The Underwriter Party showcases and celebrates donors and sponsors for **Houston Children's Charity's** only major fundraising event, **the Annual Gala**. For our **24th Gala**, **Frances and Tony Buzbee** graciously opened the doors of their home to host an Underwriter Party for more than **90 guests** on **September 17, 2021**.

The evening was filled with accolades and heartfelt thanks to this year's Underwriters. HCC President & CEO, **Laura Ward** began the evening by thanking our Gala Chairs, Frances and Tony, for hosting and their long-standing commitment to improving

our community. She continued her gratitude to **Title Sponsors of 13 years**, **Maria Moncada Alaoui of BMW of West Houston** and **Tommy Kuranoff of Momentum BMW Southwest**.

A big round of applause followed the announcement of their donation of a **2022 BMW M440i Series Convertible** for the Gala's live auction.

While HCC never considers the Underwriter Party a fundraising event, Frances and Tony planned to use the evening to raise enough funds to cover the cost of one van for our **Chariots for Children** program – their favorite! But with Tony's masterful and persuasive nature, he managed to gather enough funds to purchase **FIVE vans!** Laura elatedly thanked the donors of the evening:

Amy & Gary Becker, Ali Choudri, Michelle Edgerly & Dennis Byrd, Brian Kapiloff, Chris Kase, Tommy Kuranoff, Larry & Mimi Levine, Edna Meyer-Nelson, Carl Norton, Maricella & John Reed, Renee & Scott Rice, Tom & Carol Sawyer, Connie Stagner, Robert Tijerina, Michele Till, and Franco Valobra.

We are so appreciative of our gracious Gala Chairs for hosting a wonderful kickoff party that had all guests excited and eager for what was to come at our Gala, and thank you to everyone who attended this monumental and unforgettable party that raised 5 vans – surprising and significant!

The '80s

"80s" continued from page 1—

Even emcee ABC Channel 13 news anchor Gina Gaston Elie gave a nod to Lauper by donning a frothy pastel-hued tulle skirt, undoubtedly far from her fashion comfort zone but plenty of fun.

Applause, applause for BMW of West Houston and Momentum BMW Southwest which once again donated the BMW outright for the auction, even at a time when car sales lots are emptying due to supply shortages.

Kudos to Ward for masterminding a contactless registration system, with table hosts informed of their table numbers via email. The only lines on this evening were at the bars during the cocktail hour.

"An enormous thank you to Frances and Tony Buzbee for an exemplary job as gala chair persons. Nobody has ever done more or ever done it better and we thank them."

Charging Forward with Chariots

Since 1996, **Houston Children's Charity** has been awarding vans to help transport underserved children. Initiated as a program supporting other non-profit agencies, HCC now provides these vital vehicles to families with wheelchair-bound children. Our Fall event was hosted again by **HCC Chairman of the Board Tilman J. Fertitta** at **Willie G's Seafood** and delivered another **7 vans** for a total of **254 life-altering vehicles**.

This program could not have grown without the tremendous support of generous community donors. Sponsors of these vans include **The Fant Foundation** and **KBP Foods** who supported seven families and eight children this past fall. It was another beautiful day for the distribution, with the sunshine only surpassed by the brightest smiles as families and children explored their new vans.

We are so grateful to our sponsors who are dedicated to our mission to support these children. The vans provide more than transport, they provide the freedom that comes with mobility. And now eight children have the opportunity to explore endless possibilities!

ONE OF THE LARGEST GIFTS IN HOUSTON CHILDREN'S CHARITY HISTORY!

A Better Night's Sleep

Good Night, Sleep Tight.

Since 2007, **A Better Night's Sleep** has had the sole mission of ensuring every child gets the sleep they deserve through our monthly bed distributions. A **\$100 donation** is all it takes to ensure a child in need has a comfortable place to rest their head each night and that is in large part due to Texas Mattress Makers. Since 2014, **Texas Mattress Makers** has been a beacon of hope for children seeking a new bed. From providing discounted mattresses to raising funds and awareness through in-store promotions, Youval Meicler and Texas Mattress Makers have done it all. We're thankful for another year of partnership and the generous donation of **250 mattresses** in 2021!

Only time will tell if there is a professional sports star, future President of the United States, Fortune 500 CEO, or even a beloved teacher who is among the 25,000 children we have assisted to date. Together, we can provide the foundation needed to help them rise each day — rested and equipped — ready to undertake any challenges that lie ahead. To find out more about how you can donate toward **A Better Night's Sleep**, call us at **713-524-2878!** Applications for beds are available online year-round.

Kids + Toys = Joy

The end of every year can bring much hustle and bustle for families as the shopping begins for holiday gifts. But there are many families where the season brings only the stress of how they can celebrate the holidays at all without the resources to provide presents for their children.

Fortunately for thousands of those families, that stress is relieved through the **Annual Toy Distribution** program by **Houston Children's Charity** and the generosity of this community. Once again in partnership with **US Marine Toys for Tots** and **Houston First**, HCC was able to distribute nearly **80,000 toys** to more than **5,000 families** for almost **16,000 children** at the **George R. Brown Convention Center** just before Christmas.

This spirit of the season comes from so many: **120 donors** contributed **\$75,000** to ensure we could purchase the toys needed to supplement gifts donated; hundreds of individuals, families, and companies collected and donated thousands of new, unwrapped toys as in-kind gifts; and countless volunteer hours supported every aspect of our efforts.

We would like to especially highlight a few special contributions. **HCC Board Member John B. Johnson** and **Silver Eagle Distributors** sent two 18-wheelers to move toys from the US Marines storage facility to the George R. Brown Convention Center. **HCC Board Member Robin L. Young-Ellis** wrangled a group of Rodeo volunteers to load the trucks destined for the distribution space. **HCC Board Member Morris Smith** and **Arca Continental Coca-Cola Southwest Beverages** ensured our helping hands stayed hydrated with donated water, and our friends at **Whataburger** provided breakfast and lunch to keep our volunteers fueled through the distribution. Other board members who provided event support include **Bob Ogle, David Atkins, Dr. Susan Blaney, and Dan D'Armond**.

These treasures, toys, and talents contributed to another successful event and, even more importantly, provided joy to children at Christmas. Endless thanks are not enough for all that YOU did to make this a happy holiday for so many underserved kids.

A TIME FOR GIVING

Starting in October, **545** eager **Adopt-A-Family** sponsors signed up to adopt **1,972 children!** Sponsors discovered the joy of spreading holiday cheer to families who would otherwise go without while solidifying the true meaning of the season - giving. We are truly grateful for the unwavering support of our sponsors, many who are repeat sponsors year after year. Without your help, countless children would miss the opportunity to experience the magic of Christmas morning, something that every child deserves.
