

HOUSTON CHILDREN'S CHARITY

"OUR KIDS ARE EVERYBODY'S KIDS"

## The Beginning of a NEW Journey

The Friday before Memorial Day is declared National Road Trip Day and serves as the official kickoff to the summer road trip season. We know **22 families** that can NOW plan their very own road trips.

In just over a 35-day span, **Houston Children's Charity** handed over a set of keys to 22 different families. These keys represented a new life. **MOBILITY FREEDOM.** The lives of these families were changed!

On **April 19th** and **May 24th**, families arrived anticipating what the day may bring. However, the story began eight months earlier on a philanthropic Friday night at **The Post Oak Hotel at Uptown Houston** in the **Grand Ballroom** when **Tony Buzbee** stood on the stage during the **25th Annual Gala**. Tony asked Houstonians to help these families by raising a paddle to sponsor a van. That night, **36 philanthropic citizens** raised a paddle to impact this program positively.

Fast-forward to a perfect spring day at **Willie G's Seafood**, where **HCC Chairman of the Board, Tilman J. Fertitta**, hosted the first **Chariots for Children** of 2023. A mere 5 weeks later, a second distribution was held, giving sponsors the ability to hand over keys to brand new wheelchair-accessible vans to families that had been on the waitlist. **Laura Ward, HCC President & CEO**, served as the emcee of both events. As she introduced the children and parents to the sponsors and crowd, Laura emphasized the importance of these life-altering vehicles while recognizing that in each family, the caretakers for these children were the true "heroes" amongst all in attendance. Everyone expressed their agreement with a huge round of applause and admiration for these families.

Once keys were presented, everyone made their way outside to see these new vehicles, provided by our **Chariots for Children** program partner, **United Access**. **Mike Murphy** and staff demonstrated the vehicles that provide safe transportation to and from medical treatments and appointments, after-school activities, family outings, and adventures that were previously inaccessible.

## Before The First Bell Rings...

For the last **14 consecutive years**, **Rod Ryan** and **The Rod Ryan Show on 94.5 The Buzz** have led the way in helping the underserved children of the Greater Houston area get **Back2School** ready! Each year, they raise funds through radio campaigns and sales from their online store (The Rod Ryan Show Cares Store) to purchase backpacks. This year the greatest listeners blew it out of the park! **On Saturday, August 19th**, Rod and crew took charge of our large group of enthusiastic and hardworking volunteers. **SIMPLY AMAZING!**

Children are headed back-to-school this year for the fourth time since the beginning of the COVID-19 pandemic. Most experts agree that in-person learning is more advantageous than online learning for children, however, different issues could arise.

Blessedly, here is where HCC's Back2School program comes into play. Since 2005, HCC has provided students with a backpack full of age/grade appropriate school supplies.

## Letter from the President and CEO

Dear Friends,

The challenges may be unending, but never is the tenacity and the desire for Houston Children's Charity to continue to ensure the betterment of lives for the special children and families in our great community. We are on a mission to continuously fine-tune and enhance our unique programs, which are: A Better Night's Sleep to provide quality sleep, HCC Closet for sartorial confidence and appearance, Chariots for Children to supply transportation with specially equipped vans, and our Christmas Toy Distribution to bring holiday splendor. We also welcome support with *Adopt-A-Family* assistance.

With the help and the unwavering support of our Board Members, our staff, volunteers and the friends who so generously, time after time, grace us financially and with spirited selflessness, we will accomplish even greater goals.

Serving 3 million children over these decades has inspired us to leave no child behind as we constantly seek to serve those in the most need. Our mission and our promise to you is that our hopes are stronger than ever as is our determination to succeed in the comfort and lifting of burdens to these challenged families.

Thank you for staying the course with us. You are essential. We look forward to pursuing together our endeavors for improving and uplifting lives with the confidence to learn and grow and to flourish with dignity.

My unending gratitude to you all,

Laura S. Ward  
President & CEO

## 26<sup>TH</sup> ANNUAL GALA LIFETIME OF GIVING HONOREE

When the history of Houston philanthropic women is written, **Trinidad "Trini" Mendenhall** will surely be included at the top of the list. With a heart for sharing her good fortune, she created the Trini and O. C. Mendenhall Foundation in 1997 with the intention of empowering women, minorities and children. Her steadfast and enduring service to the Houston community, charitable organizations and individuals has been recognized on innumerable occasions. In her usual humble fashion, she has been quoted as saying, "As a woman and mother," it is in her nature "to be nurturing and caring" and to always practice her Catholic faith "by following what our good Lord called us to do - 'Love one another.'" Her definition of philanthropy is: "the joy of helping the most vulnerable people in our community; that makes it all worthwhile."

# WHERE THE PRIDE OF THE THIRD WARD BEGINS!

Whatever changes the 2023 – 2024 school year holds, our partnership with **TEACH - To Educate All Children** - will continue to support the educators and scholars of **Blackshear Elementary**. Since 2018, **Houston Children's Charity** has collaborated with **TEACH Co-Founder, Susan Sarofim**, towards a commitment to intensive training for educators in de-escalation and conflict resolution to promote calmer and more productive classrooms for scholars.

On **Tuesday, May 9<sup>th</sup>**, HCC held its monthly **Board Meeting** at our partner school in the Third Ward. After the meeting, Board Members were treated to an informative campus tour while learning more about the TEACH program. **Dr. Sukarno Thomas, Principal**, and **Taiam Simmons, Interim Executive Director of TEACH**, explained that all 18 educators and administrators on the campus receive principal coaching, teacher training, teacher coaching, admin shadow coaching, and specialized workshops throughout the entire school year to help better educate the 289 scholars they see in their classrooms. Board Members witnessed the training first-hand in the classrooms of **Ms. Scoville** (Math) and **Ms. Abraham** (English). Both seasoned educators sprinkled the fertilizer that's needed to promote growth as they led the scholars in *Transition Directions and Getting Attention Triads* during their respective daily lessons.

97% of teachers would recommend TEACH to other educators. 94% say TEACH strategies have made a difference in their classrooms.

Every child deserves a great teacher! The **\$35,000 organizational funds** given to TEACH at Blackshear Elementary ensure that educators spend more time teaching and strengthening relationships with their students and less time on classroom management. TEACH serves nearly **1,800 educators** each school year across **Houston and Aldine Independent School Districts** – reaching more than **20,000 children**. TEACH partner schools see fewer disciplinary referrals, increased instructional time, and tremendous student success. We are proud to support this incredible program!

## Everyone Needs a Summer Shopping Spree!

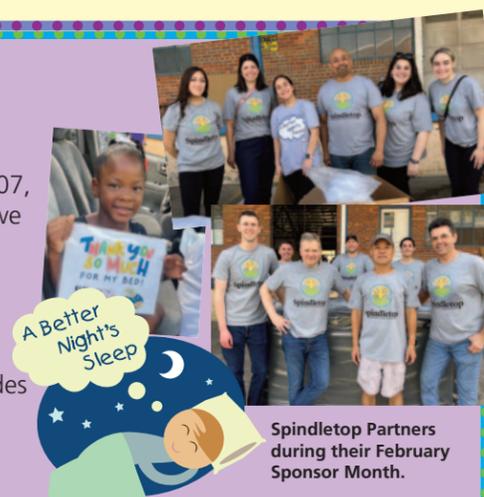

This past July, **Houston Children's Charity** opened the doors of our **HCC Closet** for an entire week. HCC approved families so they may update their wardrobes for the summer months. The racks overflowed with gently used and new donations from the community, making it an ideal place for families to browse and put together outfits. From **July 17 - 22**, over **500 children** and their families were shopping for clothing, shoes, and accessories. Moms, dads, and children left the HCC Closet feeling stylish and grateful for their **Summer Shopping Spree!**

## BECOME A SPONSOR TODAY

We are looking for **CORPORATE PARTNERS** to join forces with us to create more **SWEET DREAMS** in the Greater Houston Area. Since the program originated in 2007, HCC has provided **over 26,000 beds** to children in the Gulf Coast area. Together, we can provide the foundation to help these children rise each day feeling rested, equipped, and ready to undertake any challenges that might lie ahead.

Every night, too many of Houston's children are sleeping on make-shift beds. Some are even sharing a bed with one or more siblings, or worse, sleeping on the floor. Through the **A Better Night's Sleep** program, **Houston Children's Charity** provides every child an opportunity to sleep better by having a brand new twin mattress set, bed frame, sheets, pillow, and blanket.

Like all other HCC programs, this program depends on the tireless efforts of our amazing volunteers and the generous gifts our compassionate donors provide. **WOULD YOU PLEASE JOIN US?**

With fears and potential adaptations still ahead for children, returning to school is always a time when everyone revisits what is important for children and how to support their positive development best. Entering the front door of a school with a backpack full of supplies can lay the foundation for a school year filled with fun and learning.

What started with a single school district now spans over several districts in five counties. Under the hot August sky, over **1,825 families** drove through the distribution to pick up backpacks for their students in need, totaling **4,600 students** served! While advancing in the line to get backpacks, there were a few surprises for the families. The characters of the **501st Legion** made sure to help put smiles on faces while volunteers were beating the Texas heat under tents donated by **ACME Party & Tent** and **Any Occasion Tents & Events**. In addition, **Charles E. Dyer, IV, D.D.D., M.S.** handed out dental goodie bags, and **Whataburger** and **Raising Cane's** had branded merch and coupons for each car!

HCC extends a passionate thank you to **BRAND MANAGEMENT PROFESSIONALS (BMP)**, **The Rod Ryan Show**, and the **BEST VOLUNTEERS** in Houston for helping us pave the way for scholastic achievements. These deserving kids are now able to walk into class that first day, armed with a new backpack, school supplies, hope and confidence for the 2023-2024 school year. **A+ all around!**

### THE ROAD TO SUCCESS

Educators, students, families, and communities across the country are returning to school for a new academic year. Back2School season is a time of possibility, hope, and opportunity. It is a time to build on the progress of the previous year, and to dream about all that is possible for a successful future.

The path is clear and the road to success was paved through donations from these wonderful individuals that support our mission to ensure that every child has a backpack filled with age appropriate supplies on day one. THANK YOU

It is because of your generosity that we at HCC can do everything possible for the special children of Houston. For this, we thank you and appreciate your support.

## Talos Jeans in June

"Help Talos Measure Up for Houston Children's Charity" was the subject for a company-wide email sent out in May. Talos Energy Inc. gave employees and contractors who donated a minimum of \$100 the approval to wear jeans in their offices starting May 30<sup>th</sup> through the end of June 2023!

After planning the fundraiser, the goal was to raise over \$30,000 from employees and contractors to provide program services for children in need through HCC. At that point, Talos Energy Inc. will match 100% of the fundraised donation.

The Talos Community Committee Co-Chairs, Eric Berger and Eunice Osorio, along with committee members, Megan Dick and Amy Taylor, were happy to announce that the successful grand total from the **JEANS IN JUNE** campaign is **\$75,000**. WOW!

## In Lieu of Flowers

This past December, we said farewell to a great man, friend, colleague, supporter, and the father of one of HCC's founding members & Vice Chairman of the Board, Gary Becker. Allen J. Becker's life was well lived, in thought and in deeds, and shared with many loved ones.

In lieu of flowers, the family kindly asked that donations be made to the **Allen J. Becker Family Emergency Fund at Houston Children's Charity.**

A man whose life touched many, was honored by **\$35,150.43** in donations that enhanced the lives of many children of our greater Houston area.

*Rest in peace, dear friend.  
May your memory be a blessing to us all.*
